

# Pull Up

Yei Gonzalez

Pull up  
Let me rewind it, rewind it  
Let me rewind, otro baile  
So, pull up  
Let me rewind it, rewind it  
I really love the way you whine it

So, pull up and blame it all on me  
And whine it solo pa' mi  
So, pull up, yeah, pull up

Oh, baby, hush, I just wanna feel your touch  
All the way till the morning, I can't get enough  
Dame todo de ti, I just want you right here right now  
Like we're stuck on repeat, like we're stuck in this melody

Pull up  
Let me rewind it, rewind it  
Let me rewind, otro baile  
So, pull up  
Let me rewind it, rewind it  
I really love the way you whine it

So, pull up and blame it all on me  
And whine it solo pa' mi  
So, pull up, yeah, pull up

By lightning I'm struck, one in a million you are to me  
You might call it luck, you're my Bohemian Rhapsody  
Dame todo de ti, I just want you right here right now  
Like we're stuck on repeat, like we're stuck in this melody

Pull up  
Let me rewind it, rewind it (Let me rewind)  
Let me rewind, otro baile  
So, pull up  
Let me rewind it, rewind it (Let me rewind it)  
I really love the way you whine it

So, pull up and blame it all on me  
And whine it solo pa' mi  
So, pull up, yeah, pull up

Pull up  
Oh yeah, oh, baby  
So, pull up (Oh, baby)  
Let me rewind it, rewind it (Your luck)  
I really love the way you whine it

So, pull up and blame it all on me  
And whine it solo pa' mi  
So, pull up, yeah, pull up

Pull up
