Baby

Rudimental

I guess you wonder where I've been
I search to find the love within
'Cause I came by to let you know
Got a thing for you
And I can't let go

(2x)
Do for love
You've tried everything
But you don't give up

My friends wonder what is wrong with me
But I'm in a daze from you love, you see?
I came by to let you know
Got a thing for you
And I can't let go

(2x)
Do for love
You've tried everything
But you don't give up

I've been staring down your way
Don't know exactly what to say
I'm wondering if you feel the same

Because everytime I'm looking down
The questions what you're dancing around
I'm sick of playing silly games..

Tell me, am I the type you go for?
Am I just wasting my time?
Should I carry on? Or should I say no more?
All of the things running through my mind..

(8x)
Oh tell me, tell me baby

Every single night and day
I wonder if it's just a fase,
Or is it really something here
'Cause whenever that you need something
I feel it in our energy
Just pull me out my misery

Tell me, am I the type you go for?
Am I just wasting my time?
Should I carry on? Or should I say no more?
All of the things running through my mind..

(4x)
Oh tell me, tell me baby
