

# Be the One

Rudimental

Every time you show up, yeah  
Always on glow up, yeah  
I really shouldn't go back there  
Always say "No" but yeah  
You could never love me how I love me  
I would never trust you, trust me  
It was just you, never just me  
You're lucky I don't do you how you done me

You know mine's, never-ending  
You're with me, you're protected  
One more time, no pretending  
You've got me moving restless  
You say you love me but you know that's just words (Just words)  
Say it's real but I still just curve (Just curve)  
You want another chance, you know you got enough (Got enough)  
I'm priceless, now I know my worth

Now you wanna be mine, you can't be  
Always after midnight, you call me  
Now you're gonna tell me you're sorry  
I don't even feel like you're ready  
Now you wanna be mine, you can't be  
Always after midnight, you call me  
Now you're gonna tell me you're sorry  
I don't even feel like you're ready

Would you be the one to call?  
Be the one  
Could you be the one to call?  
Be the one  
Be the one

It's crazy how we can't go back  
We try but we can't go back  
Too much been said, too much been done  
Another time won't run and even I know that  
I could never love you how you love me  
That's why I don't judge you when you judge me  
Whatever hurts you, that hurts me  
It's all me, I never said it weren't me

You know mine's, never-ending  
You're with me, you're protected  
One more time, no pretending  
You've got me moving restless  
You say you love me but you know that's just words (Just words)  
Say it's real but I still just curve (Just curve)  
You want another chance, you know you got enough (Got enough)  
I'm priceless, now I know my worth

Now you wanna be mine, you can't be  
Always after midnight, you call me  
Now you're gonna tell me you're sorry  
I don't even feel like you're ready  
Now you wanna be mine, you can't be  
Always after midnight, you call me

Now you're gonna tell me you're sorry  
I don't even feel like you're ready

Would you be the one to call?  
Be the one  
Could you be the one to call?  
Be the one  
Be the one

This the AJ flow but it's mine now  
I can't lie though, I kinda miss ride-outs  
Used to go back to hers for the hideouts  
Weren't tryna see Thameside or High Down  
My town, get down or lie down  
I'm the king, where's my crown?  
Where's the ting? I'll fly 'round  
Corn run with the wind, bring the bine out  
Real ass crip, I'll never be slime  
She my, she wanna be mine  
Can't give that free time  
Young boy livin' out by the seaside  
OT, OT, we really don't tick like my Rollie  
When they need grub, they really phone me  
When I was up there, didn't wanna know me

Now you wanna be mine, you can't be  
Always after midnight, you call me  
Now you're gonna tell me you're sorry  
I don't even feel like you're ready  
Now you wanna be mine, you can't be  
Always after midnight, you call me  
Now you're gonna tell me you're sorry  
I don't even feel like you're ready (Now you're gonna tell me that you're so  
rry, yeah)

Be the one (Are you gonna be the one?)  
Would you be the one to call? (Yeah)  
Be the one  
Be the one
