If were oceans apart, I'd keep sailing 'til we're on the same land

If there's no end to our start, I'd keep hold of it with both h ands

Just say what's on your mind, cause I can't cope with false hop e and pain

Am I wasting my time if I know you don't feel the same, the sam e?

Let's find a common emotion, something we both can feel Let's dive, sink and drown in devotion, so I know that this real

Cause I want to feel a common emotion, common emotion Common emotion, common emotion

The dark dusk of sky, but my fears shine ironically I've tried to unwind, but I'm struggling to find peace, find peace

I tried to find something sacred and mutual But I'm losing my mind cause I don't know if you care at all, a t all

Let's find a common emotion, something we both can feel Let's dive, sink and drown in devotion, so I know that this rea

Cause I want to feel a common emotion, common emotion Common emotion, common emotion

Get out my car honey
Yeah, you gonna have to walk the rest of the way
Yeah cause I've been walking all my life
Yeah by tomorrow I be in the left
cause I don't know where you're gonna be, get out my car honey
