Ghost - Refix

Rudimental

Should have put you on a pedestal, cherished u, and never ever let you go
Feel like when I look at you, every time I look at u, in my head a look at y
ou, yeah yeah
And I get jealous, honestly, think that I should probably go to bed with me,
 to get me over you and me mmm
Get me over you and me mmm...

No I'm not one, for praying, but you got me, on my knees
Never been one to say it, but your something to me
And now I Hate, I love you, tell me you don't no the meaning
Cause I put to much above ya... and me...

I Should have put you on a pedestal, cherished u, and never ever let you go
Feel like when I look at you, every time I look at u, in my head a look at y
ou, yeah yeah
And I get jealous, honestly, think that I should probably go to bed with me,
 to get me over you and me mmm
Get me over you and me...

Cause you're a ghost!...
Got to lose another, way to prove the most...
Now I'm sleeping in this bed all alo-o-one...
With you're gho-o-ost...
Ghost (ah)...
Got to lo-o-o-ose another, way to prove the most (you know)
Now I'm sle-e-eping in this bed all alo-o-
one (it's mad... never thought I'd be this sad)...
With you're gho-o-ost... (where do you go?, where do you go?)

You were top 2, now your not top 5...
These days kinda hating, press (no way)
I was doing my thing, you was doing your thing, but now you wanna make it st
ress (brrr)
And I was like, I need to Call, and we need to talk up, there with your favo
urite text (aight)
That ends to-day, Your friends are two-
faced, home girls fake it's flex (fuck me)...
So fly with captain tip-toe, full brace with brat-
selecta (brat), heartbreak works I'm the work selecta (work)...
So caught up cat detector (cat), full brace with brat-
selecta (brat), heartbreak works I'm the work selecta (work)

Ghost (ah)...
Got to lose another, way to prove the most (you know)
Now I'm sleeping in this bed all alo-o-
one (it's mad... never thought we'd be here sad)...
With you're gho-o-
ost... (where do you go?, where do you go?, where do you go?)

Ghost... (ah)...
Got to lo-o-o-ose another, way to prove the most (you know)
Now I'm sle-e-eping in this bed all alo-o-
one (it's mad... never thought we'd be here sad)...
With you're gho-o-ost... (where do you go?, where do you go?)

Should have put you on a pedestal, cherished u, and never ever let you go
Feel like when I look at you, every time I look at u, in my head a look at y

ou, yeah yeah
And I get jealous, honestly, think that I should probably go to bed with me,
 to get me over you and me mmm
Get me over you and me.

Cause you're (aight, don't no what they think we had) a ghost
Got (I no what they wish we had) to lose another, way to prove the most (the
y no that I treat them good)
Now I'm (my pussy will miss me bad) sleeping in this bed all alo (if I never
 had money and chains, think they would hit me back) -o-one
With you're (its mad I still love this game, this week I made 50 bags) gho-o-
ost

Ghost (ah)...
Got to lose another, way to prove the most (you know)
Now I'm sleeping in this bed all alo-o-
one (it's mad... never thought we'd be here sad)...
With you're gho-o-
ost... (where do you go?, where do you go?, where do you go?)

(Aight, don't no what they think we had) Ghost...
Got to lose another (I no what they wish we had), to prove the most (they no
 that I treat them good)
Now I'm sleeping (my pussy will miss me bad) in this bed all alo-o-
one (if I never had money and chains, think they would hit me back)...
With you're gho-o-
ost (its mad I still love this game, this week I made 50 bags).
