

Give You Up

Rudimental

Feeling like it's all been pointless
I keep holding on
Every day's an uphill battle
I believe you're the one

Everybody says
That you're no good for me
But I don't care what they say
'Cause you're everything that I can't be

I can't give you up and put you down
My friends say you put your love around
Can't give you up no matter what I do
My happiness depends on you

I'd give you up but it would break my heart
Rather dies than be apart
Can't give you up, can't give you up
Can't give you up, I can't give you up

Spent my day
I can't give!
Spent my day
I can't give!

Baby we can be together
We keep holding on
Every time you smile I know you'll
Always be the one

Everybody says
That you're no good for me
But I don't care what they say
'Cause you're everything that I can't be

I can't give you up and put you down
My friends say you put your love around
Can't give you up no matter what I do
My happiness depends on you

I'd give you up but it would break my heart
Rather dies than be apart
Can't give you up, can't give you up
Can't give you up, I can't give you up

Spent my day without you
I can't live without you
Spent my day without you
I can't live without you

Spent my day
I can't give!
Spent my day
I can't give!

I can't give you up, give you up, give you up
I can't give!

I can't give you up, give you up, give you up
I can't give you up
I can't give you up, give you up, give you up
I can't give!
I can't give you up, give you up, give you up
I can't give you up
