

Krazy

Rudimental

Keep all your soul 'cause we
Keep all your soul 'cause we
Keep all your soul 'cause we
Just living my life like I'm crazy
Crazy, yeah
Just living my life like I'm crazy
Yeah, yeah
I'm crazy, yeah
Just living my life like I'm crazy
Yeah, yeah, crazy
Just living my life like I'm crazy
Yeah, yeah, yeah, crazy
Just living my life like I'm crazy
Keep all your soul 'cause we
Keep all your soul 'cause we
Keep all your soul 'cause we
Just living my life like I'm crazy
Keep all your soul 'cause we
Keep all your soul 'cause we
Keep all your soul 'cause we
Just living my life like I'm crazy

We ain't doing nothing wrong
And it's because of you that it all runs 'round

Let it go, oh, oh
Let it go, oh, oh
Let it go
Just living my life like I'm crazy

Just living my life like I'm crazy

Just living my life like I'm crazy
Crazy
Just living my life like I'm crazy
Yeah, yeah, yeah, crazy
Just living my life like I'm crazy

We ain't doing nothing wrong
And it's because of you that it all runs 'round
Crazy, yeah

Just living my life like I'm crazy

Just living my life like I'm crazy
Yeah, crazy
Just living my life like I'm crazy
Yeah, yeah, yeah, crazy
Just living my life like I'm crazy
