

# Rain

## Rudimental

Take a block and knock-down  
Don't run to find shelter  
Drops hitting your skin  
And sometimes it gets colder  
And I ride it out and just let it in  
I own it and I live it  
Don't use the rain to suffer  
Just use it

Just use it to gro-o-o-ow  
Gro-o-o-ow  
Gro-o-o-ow  
Gro-o-o-o-o-o-o-ow

Let the showers rain on me  
Rain will make it wetter  
Rain will make it better  
Rain, rain, rain  
Rain will make it wetter  
Rain will make it better  
Let the showers rain on me

I can stand the rain

Rain on me  
Oh

Take a block and knock-down  
Don't run to find shelter  
Drops hitting your skin  
And sometimes it gets colder  
And I ride it out and just let it in  
I own it and I live it  
Don't use the rain to suffer  
Just use it

Just use it to gro-o-o-ow  
Gro-o-o-ow  
Gro-o-o-ow  
Gro-o-o-o-o-o-o-ow

Let the showers rain on me  
I can stand the rain

Let the showers rain on me  
Let the showers rain on me  
Let the showers rain on me  
Me, me  
Me, me

Let the showers rain on me
