

So Sorry

Rudimental

I know, I know
I been lost in the moment
It's been hard on my own
And I know I don't
Even look at my lowest
But I put on a show
And I know, I know
Been so lost in the moment
But I'm not on my own
'Cause I know, I know
We had won in the moment
And we're never alone

So sorry, I'm so sorry
So sorry, I'm so sorry
So sorry, I'm so sorry
So sorry, I'm so sorry
You'll never, ever be alone

I know, I know
I been lost in the moment
It's been hard on my own
And I know, I know
We had won in the moment
And we're never alone

So sorry, I'm so sorry
So sorry, I'm so sorry
So sorry, I'm so sorry
So sorry, I'm so sorry
You'll never, ever be alone

You'll never, ever be alone
So sorry, I'm so sorry
So sorry, I'm so sorry
You'll never, ever be alone
So sorry, I'm so sorry
So sorry, I'm so sorry
You'll never, ever be alone

So sorry, I'm so sorry
So sorry, I'm so sorry
You'll never, ever be alone
