

Sun Comes Up

Rudimental

I wondered, maybe they'd never find me
I've been waitin' such a long, long, long time to feel it
Swallowed by the waters around me
No I took so many wrong, wrong, wrong turns to see it, woah

But I danced through the blisters at night
And I laughed 'til I cried and cried and
I ran 'til my feet couldn't run no more (no more, no more)
And I sung 'til my lungs were burnin'
'Til I know I'm alive, alive, yeah
I sing 'til I can't hear your voice no more

Suddenly the sun goes up
And I feel my love flooding back again, yeah
Until the sun goes up
And I feel my love coming up again
Suddenly the sun goes up
And the dark is gone
We made it to the dawn
And I don't miss you anymore
When the sun goes up
I can feel my love coming back again

It wasn't easy trying to run with these handcuffs
I had to sleep through such a cold, cold, cold night to see it
Green flashes hid me right where I'm standing
Sunlight got into the bone, bone, bone, start the healing

But I danced through the blisters at night
And I laughed 'til I cried and cried and
I ran 'til my feet couldn't run no more (no more, no more)
And I sung 'til my lungs were burnin'
'Til I know I'm alive, alive, yeah
I sing 'til I can't hear your voice no more

Suddenly the sun goes up
And I feel my love flooding back again, yeah
Until the sun goes up
And I feel my love coming up again
Suddenly the sun goes up
And the dark is gone
We made it to the dawn
And I don't miss you anymore
When the sun goes up
I can feel my love coming back again

Give a little light
To get a little love back
Give a little light
To get a little love back
Give a little light
(Won't you give it)
To get a little love back
(Give a little love back)
Give a little light
(Won't you give it)
To get a little love back

(Turn your light on me)
Give a little light
To get a little love back
(Give a little, to get a little love)
Give a little light
(To get a little love back)

I danced through the blisters at night
I laughed 'til I cried and cried and
I ran 'til my feet couldn't run no more (no more, no more)
I sung 'til my lungs were burnin'
I'm alive, alive
I can't hear your voice no more

Suddenly the sun goes up
And I feel my love
Sun comes up again, my love
Until the sun goes up
And I feel my love coming up again
(I can feel my love, I can feel my love)
Sun goes up
I can feel my love coming back again
