

They Don't Care About Us

Rudimental

Oh, hey

Love, our love is like an ocean, ocean
Then run, let's run away in motion, motion

You and I, you and I
Deep inside, deep inside
We can be forever
But they don't want us here together

They don't care about us
They ain't stronger than love
'Cause they don't care about us
They ain't stronger than love
They don't care about

(Us, they)
(Us, no they don't care)
(Us, they)
(Us, no they don't care about)

Time, time is all we needed, needed
And life
Is heaven when you're near me, near me

You and I, you and I
Free your mind, free your mind
In a world full of commotion, oh
I know it's hard to keep devotion

They don't care about us
They ain't stronger than love
'Cause they don't care about us
They ain't stronger than love
They don't care about

(Us, they)
(Us, no they don't care)
(Us, they don't care about)
(Us, no)

Ooh-ooh-ooh
They're not stronger than love
They're so wrong about us
They're not stronger than
They ain't stronger than love
They're so wrong about us
They're not stronger than love
They're so wrong about us
They're not stronger than love
They're so wrong about us
They're not stronger than love
They're so wrong about us
They're not stronger than love
They're so wrong about us
They're not stronger than love
They're so wrong about us
(They're so wrong about us)
They don't care about us

Care about
They ain't stronger than love
(No, no, no, no, no, no)
Stronger than
(Stronger than your love, babe)
Care about
They ain't stronger than love
Stronger than
(Hey, oh, babe)
Oh
(They ain't stronger than us)
(They don't care about you, like I do)
Oh no, no
(They ain't stronger than much)
(No, no, no)
(No, no, no, no)
