

# Distance

Ruel

I had you on the phone, I heard you were mine  
I've been on the run since you walked through the hallway  
Heard it all before, I don't even mind  
I'll do anything, pull me in and I'm far away

You're right there  
But I won't say that I'm standing  
I'm right here, when I see you I panic  
So scared of the way it might pan out

Well I don't wanna say that this was all it was  
Trying not to stay but that just made it worse  
I've been keeping my distance  
I just wanna know what you're thinking  
I just can't explain the way it hurts  
Now that what we had is gone, I don't have the words  
I'm so bad at playing along, saving my feelings  
I've been keeping my distance

I talked about it last night, thought I was fine  
Helped you pack your things, put your bags in the hallway  
Maybe in a past life, problems aside  
We could make it home, I'd hear you when you're calling

You're right there, yeah  
But I won't say that I'm standing  
I'm right here, when I see you I panic  
So scared of the way it might pan out

I don't wanna say that this was all it was  
Trying not to stay but that just made it worse  
I've been keeping my distance  
I just wanna know what you're thinking  
I just can't explain the way it hurts  
Now that what we had is gone, I don't have the words  
I'm so bad at playing along, saving my feelings  
I've been keeping my distance

I've been feeling so high on the way down  
Hope I get another chance 'cause I know I wouldn't  
Wouldn't let you pass by, wouldn't even think twice  
Let you out of my mind, I don't even know why

I've been feeling so high on the way down  
Said you treated me bad 'cause you know I couldn't  
You know I couldn't

I don't wanna say that this was all it was  
Trying not to stay but that just made it worse  
I've been keeping my distance  
I just wanna know that you're thinking  
I just can't explain the way it hurts  
Now that what we had is gone, I don't have the words  
I'm so bad at playing along, saving my feelings  
I've been keeping my distance
