

# Go On Without Me

Ruel

I can't break, get rid of this part of me  
Yeah, all the shit that I've done  
Yeah, it shouldn't be hard to leave  
Out of my excuses  
All this overthinking is wearing you down  
Yeah, I can see it, ohh

You need someone else  
Someone you can rely on  
I'll just let you down  
Yeah, you need something else  
A shoulder that you can cry on  
I'll just let you down

So, go on without me  
So, go on without me, yeah

Whatever I say to you, please, don't take me back

Please, don't take me back, ooh, ooh

I can tell you I'll change, but that doesn't change the fact  
That I'm out of chances  
Sorry it's confusing  
Yeah, I wish I knew what I was doing, ohh

You need someone else  
Someone you can rely on  
I'll just let you down, ohh  
You need something else  
A shoulder that you can cry on  
I'll just let you down

If could give you the world  
I would give you the world  
Yeah, it's what you deserve  
But, go on without me  
If could give you the world  
I would give you the world  
Yeah, it's what you deserve  
But, go on without me

You need someone else  
Someone you can rely on  
I'll just let you down, ohh  
Yeah, you need something else  
A shoulder that you can cry on  
I'll just let you down

So, go on without me, ohh

Please, don't take me back

Go on without me, yeah

Please, don't take me back

Go on without me
