

# Say It Over

Ruel

Say it over  
If you can't come back tomorrow  
I lost my words over you, and I'm sorry  
Am I supposed to act worried?  
I didn't mean to be cold, guess it's just a sore throat

We stopped talkin'  
The conversation was fadin'  
The TV's off, got no coffee  
I called you up to tell you I'm changin'

You can be hard to pin down  
I can pull up and turn around  
I always leave my phone on  
Fallin' asleep, we don't talk  
Everything's crashin' you stay  
I couldn't keep my head away  
You say my jeans don't fit right  
You say you're leavin', so am I

Say it over (Over, over)  
If you can't come back tomorrow (If you can't come back, if you can't  
come back)  
I lost my words over you, and I'm sorry  
Am I supposed to act worried?  
I didn't mean to be cold, guess it's just a sore throat

We're lookin' for the same things at different times  
The same pace, same minds  
To get a grip on what we find together  
But I know it's not easy, to let go of the chapter we started (Oh, oh  
, oh, hey, hey, yeah)

You can be hard to pin down  
I can pull up and turn around  
I always leave my phone on  
Fallin' asleep, we don't talk  
When everything's crashin' you stay  
I couldn't keep my head away  
You say my jeans don't fit right  
You say you're leavin', so am I

Say it over, yeah (Over, over)  
Yeah, If you can't come back tomorrow (If you can't come back, if you  
can't come back)  
I lost my words over you, and I'm sorry  
Am I supposed to act worried?  
I didn't mean to be cold, guess it's just a sore throat

To be honest, I lost myself, I feel awful

Know we all got our problems, I'm sorry if I said you were gorgeous
