

Someone Else's Problem

Ruel

It's scary letting go
I know, I know, I know, I know
It's hard to be alone
But I know I'll find a way to cope

I thought I'd be upset
I thought I'd have regrets
Without you in my head

Ooh
Every day's getting better
Now the rain finally let up
Nobody to stress me out
You're someone else's problem now
Really dodged me a bullet
And I can sleep easy knowing
Knowing that you're not around
You're someone else's problem now
Ooh, ooh, ooh-ooh
Ooh
You're someone else's problem now

Nothing's getting overblown
No one's jealous, no one's crying driving home
Yeah, I won't miss the way you lied
And the games you played to get a rise

I used to be obsessed
Now I couldn't care less
Ever since you left

Ooh
Every day's getting better
Now the rain finally let up
Nobody to stress me out
You're someone else's problem now
Really dodged me a bullet
And I can sleep easy knowing
Knowing that you're not around
You're someone else's problem now
Ooh, ooh, ooh-ooh
Ooh
You're someone else's problem now
Ooh, ooh, ooh-ooh
Ooh
You're someone else's problem

And whoever you find next
Oh I wish, I wish them all the best
