

Be The One

Ruff Endz

I just wanna be the one you see
I just wanna be the one you need (babe)
Only man that holds the key
I just wanna be the one (okay, I just wanna be, yeah)
I just wanna be the one you trust
I just wanna be the one you love
I wanna be the only man you want
I just wanna be the one

You ain't ever gotta worry (worry)
Baby, have no fear (no fear)
And you can rest assured
That all the love you ever would need is here (here)
Oh, girl, I just wanna be worthy (worthy)
A player done hung up his jersey (babe)
'Cause you got me thirsty

Girl, we in our own lane (let's go)
Holding weight from the pain
Girl, we ain't never gon' be the same (same)
Girl, I hope you never change (change)
Girl, I don't know how you arrived
But I'm so glad you came (so glad you came)
Girl, I need to stake my claim, you (I need to)
Was never worried about the fame, I
Girl, I want you to have my last name

I just wanna be the one you see (come on)
I just wanna be the one you need (need)
Only man that holds the key
I just wanna be the one (I just wanna be)

I love you and you love me back (love me back)
Your love got me so jacked (babe)
So right here is where it's at
Girl, without your love I'm like a brat (yeah)
Girl, we mix like Mulatto ('latto)
To keep it tight is the motto (babe)
Respect, love will follow
Where your love goes, I go

Girl, we in our own lane
Holding weight from the pain
Girl, we ain't never gon' be the same (same)
Girl, I hope you never change (change)
Girl, I don't know how you arrived
But I'm so glad you came (so glad)
Girl, I need to stake my claim, you (I need to, yeah)

What I gotta say, what I gotta do (break it down)
What I gotta say, what I gotta prove (babe)
To show you that my love is true
I'll walk a thousand miles for you
What I gotta say, what I gotta do
