

Love Potion

Ruff Endz

Don't let us love in vain
Blocking out emotions like we don't feel pain
Thought you had it all worked out in your brain
Now you feel the fire and you need some rain
You need some rain
We're losing ground
Can't let the strong temptation of love pull us down
I can love you for an eon girl I love your sounds
Got my planet spinning
Like merry-go-round, for your

For that love potion (Got me cravin', yearnin')
It's your love potion (Got me cravin', yearnin')
Girl your love potion (Got me cravin', yearnin')
It's your love potion (Got me cravin', yearnin')

Late to the studio
The clock is like a rhythm to the slow tempo
When the motion starts I just can't stop the flow
It's a tangled web we weave and it won't let me go
Won't let me go
I'm feeling you
Messing with my mind and I've got things to do
Wish I could explain but I don't have a clue
Said you got me baby (Yearning)

For that love potion (Got me cravin', yearnin')
(You've done something to me baby)
It's your love potion (Got me cravin', yearnin')
(Maybe it's your love)
Girl your love potion (Got me cravin', yearnin')
It's your love potion (Got me cravin', yearnin')
(Mmmhmmm)

The passion comes
Your power of seduction is incredible
We both moan a little louder, I don't care who knows
Things are getting crazy, coming out your clothes
You're impressing me
I can't resist the feeling of your soft body
I never felt a kiss before that tastes so sweet
I'm losing sanity, yeah

For that love potion (Got me cravin', yearnin')
(Got my body craving)
It's your love potion (Got me cravin', yearnin')
(Can't get enough oh baby)
Girl your love potion (Got me cravin', yearnin')
(The way you move, oh)
It's your love potion (Got me cravin', yearnin')
(You got a hold on me, baby)
For that love potion (Got me cravin', yearnin')
It's your love potion (Got me cravin', yearnin')
(You got a hold on me)
Girl your love potion (Got me cravin', yearnin')
(Feeling things, insane, oh shit)
It's your love potion (Got me cravin', yearnin')

(I don't know what to do baby baby baby)

Craving and yearning

Oh no no no no

No no

Yeah

Craving baby

You've got me

I don't know what I'll do

If I ever were to lose you

Yearning
