Hmm, yeah
(I miss you baby)
I've been missin' you
(It's so hard bein' away from you)

Girl, I've been missin' you, baby
(Mmm, I want you next to me so bad)
I've been thinking about you girl
(I miss you so much girl)

I never felt loneliness like this before, I'm so paranoid Thinkin' you gonna walk through the door Girl my heart has so much pain to endure It's been hurting for so long till it feels sore

Girl I don't wanna hurt no more You're everything worth living for So baby come back to me You belong with me naturally Take me outta my misery, girl I'm going crazy

Girl I've been missing you, like crazy
Every minute seems like hours
Every day seems like weeks
Girl I've been missing you, like crazy
Every minute seems like hours
Every day seems like weeks

Girl I've been missing you, like crazy Every minute seems like hours Every day seems like weeks Ooh girl, I'm missing you You know I'm wanting to Spend every moment with you

Girl it's been so long since I seen your face And I'm feeling so out of place The touch of your fingertips on my back As we make contact, didn't I react

To the chills you send through my veins Girl just the thought of you drive me insane Girl I can't wait to feel that feeling again It's your sweet love what I'm missing

Girl I been missing you, like crazy
Every minute seems like hours
Every day seems like weeks
Girl I been missing you, like crazy
Every minute seems like hours
Every day seems like weeks

Girl I've been missing you, like crazy Every minute seems like hours Every day seems like weeks Ooh girl, I'm missing you You know I'm wanting to Spend every moment with you

Girl, I'm missing you like crazy
I don't know what it is about you
Each moment without you
Seems like forever babe
I just need to be next to you
And until I'm next to you
I'll be missin' you babe

And I've been missing you Oh, the days have been so long I've been missing you

I've been thinkin' about cheatin' Mrs. Jones And I've been missing you Said I'm lost without you baby
Oh baby, baby, I've been missing you

Girl I've been missing you, like crazy Every minute seems like hours Every day seems like weeks Girl I've been missing you, like crazy Every minute seems like hours Every day seems like weeks

Girl I've been missing you, like crazy Every minute seems like hours Every day seems like weeks Ooh girl, I'm missing you You know I'm wanting to Spend every moment with you
