

Mr Dj

Ruff Endz

Oh yeah, oh yeah
Said pick up the phone, pick up the phone
Oh, oh, oh

It's the mood
That it puts me in, when the tempo's slow
And the lights are low
And I got this little lady by my side
And tonight is gonna be a very long night hmmm
Won't you slow the records down
For my baby it's gotta be a very special night
And everything has to be alright okay (Okay, okay)
Can you slow it down

Oh Mr. D.J. slow it down
I'm off to catch the subway and go down town
(Bout to catch the train to see my baby girl)
As we listen close to our radio
Can you smooth it out with the lower tempo (Mr. D, Mr. D.J.)
Mr. D.J. don't stop now
I'm out to smack it, flip it, rub it down (Rub it down)
As we listen close to our radio
Can you smooth it out with the lower tempo

I wanna seduce your body with foreplay

Please play a slow jam, my desire is aching
Mr. D.J. please hear my cry
