

## Remarkable

Ruff Endz

Your love is so remarkable  
Hold you tight and never let you go  
And I just want the world to know that I'm in love with you

I know that you resent for me  
A messenger who holds the key  
You are showing me something regular eyes could never see  
I love the way you look at me  
I'm feeding on your synergy  
I never knew that this could be in my wildest dreams

Your love is so remarkable  
Hold you tight and never let you go  
And I just want the world to know that  
Eternity is what we're facing  
For this love there is no replacement  
Our destiny is what we're embracing  
Don't have to run from me there's no more chasing  
You make my world so amazing (and it's real love, no more faking)  
Eternity is what we're facing

I opened up my heart to thee  
And then return you give me peace  
Peace that I longed for to be happy  
I adore everything, your power, your face  
I know destiny has chosen this place  
The place that you wanna be  
You by my side as my queen for eternity

Your love is so remarkable  
Hold you tight and never let you go  
And I just want the world to know that  
Eternity is what we're facing  
For this love there is no replacement  
Our destiny is what we're embracing  
Don't have to run from me there's no more chasing  
You make my world so amazing (and it's real love, no more faking)  
Eternity is what we're facing
