

# Saying I Love You

Ruff Endz

Just saying I love you just ain't enough  
Needing to be with you is a must  
The thing I love more than you is us baby  
Ain't nothing gonna stop this love  
Ain't nothing gonna  
Ain't nothing gonna stop this love

Just saying I love you just ain't enough  
Needing to be with you is a must  
The thing I love more than you is us baby  
Ain't nothing gonna  
Ain't nothing gonna stop this love

Soul mates from birth  
If you were the Moon, I'd be the Earth  
Two people destined to be together  
A love so strong it can't be severed

Girl we can make this from the heart  
You feel my every move  
You know I'm thinking bout you  
With you and only you  
I can have piece of mind  
That's why

Just saying I love you just ain't enough  
Needing to be with you is a must  
The thing I love more than you is us baby  
Ain't nothing gonna stop this love  
Ain't nothing gonna  
Ain't nothing gonna stop this love

Just saying I love you just ain't enough  
Needing to be with you is a must  
The thing I love more than you is us baby  
'cause baby you're my everything

I can feel it when I close my eyes  
This love of mine, deep inside me  
The happiest moment of my life  
When you said that you feel the same that I do

Girl you know I, I love you  
And I know you love me too  
Without any questions, you were here for me  
That's why you gotta see

Just saying I love you just ain't enough  
Needing to be with you is a must  
The thing I love more than you is us (is the both of us together baby)  
Ain't nothing gonna  
Ain't nothing gonna stop this love

Just saying I love you just ain't enough  
Needing to be with you is a must  
The thing I love more than you is us baby  
'cause baby you're my everything

You're the reason why  
Love feels nice to hold  
We've got a love tale that's never been told  
Too strong to deny  
Too bold to control  
A love that grows from young  
Until the days we are old

You said someone told you  
You only get one true love  
And if this is true  
Girl, I know it's surely you  
Girl you know I love you  
You know you've got my trust  
But these few words are not enough

Just saying I love you just ain't enough  
Needing to be with you is a must  
The thing I love more than you is us baby  
Ain't nothing gonna stop your love  
Ain't nothing gonna  
Ain't nothing gonna stop your love

Just saying I love you just ain't enough  
Needing to be with you is a must  
The thing I love more than you is us baby  
'cause baby you're my everything

(fade out)
