

What U Need

Ruff Endz

What you need is a break from the average type nigga
Need a ball 'til you fall type nigga
You need a classy slash thug nigga
Keep your hair, nails, feet done type nigga (You)

What you need is a break from the average type nigga
Need a ball 'til you fall type nigga (Baby)
You need a classy slash thug nigga
Keep your hair, nails, feet done type nigga

What you need is a break from the...

Baby girl please don't go and judge me
I need a chick that's trying to love me
I can tell you been hurt before
Don't pass up a good thing knocking at your door
I be the nigga that spoils you right
I make your fantasies come to life
You look at me and say "I seen him on a video"
Turn the TV off now "I heard him on the radio"

I know what you want
I know what you need
And maybe that's (Said I, said I know baby)
To be with me
You need a nigga that can show and prove
Baby girl I done paid my dues (Oooh yeah)
Baby this is true

I know what you want
I know what you need
And maybe that's
To be with me
I try my best, I never lie to you
Baby make sure that your rocks stay blue

What you need is a break from the average type nigga
Need a ball 'til you fall type nigga
You need a classy slash thug nigga
Keep your hair, nails, feet done type nigga

What you need is a break from the average type nigga
Need a ball 'til you fall type nigga
You need a classy slash thug nigga
Keep your hair, nails, feet done type nigga

What you need is a break from the...

Don't like the weather girl?
It's alright
We can jump on a first class flight
Sip syrup and do what you like
It's on me girl
Get your life
Put the top down
On my new Benz
Feel the good life

Let it in
You ain't gotta go and
Tell your friends
Let's get it started, ain't gotta end

I know what you want
I know what you need
And maybe that's
To be with me
You need a nigga that can show and prove
Baby girl I done paid my dues
Baby this is true

I know what you want
I know what you need
And maybe that's (Maybe)
To be with me
I try my best, I never lie to you
Baby make sure that your rocks stay blue
(Baby what you need)

What you need is a break from the average type nigga
Need a ball 'til you fall type nigga
You need a classy slash thug nigga (Ooooh)
Keep your hair, nails, feet done type nigga (I'll keep you, I'll keep you)
