

What Ryders Do

Ruff Ryders

Top down hair blowin in the wind rims spinning
That's what Ryders do
Just me and the road I'm so in control and I'm feeling extra cool (Ryde Out)
I got the sun shining on my face eyes tinted by my Louis Vuitton shades
Ohh that's what Ryders do
Ohh that's what Ryders do

Can you picture me on sunset watchin the sunset
through the rear view of a sixty-seven corvette
I am not at all stressed cause I just seen the sun shine
for my nigga cause he still doin jail time
it could be worse I figure I'm rolind down the window
niggaz whistling and pssst-per-in I'm actin like I don't hear
I'm tryin to feel the breeze my mind is in Belize
I'm in the wife beater turning down the A.C
I'm taking time for me wonder where I'ma be
in seven years I'm doin sixty planning carefully
I'm on the inter state I'm playin Mary-J
Reminiscing on the love we had can you relate
its just another day but it coulda been my last
that's why I'm ridind till its time to stop and get some gas
I'm watching riders pass with arms all out they ass
they on bikes throwin they R's up
I throw 'em back
