

Alone Together

Rufus Wainwright

Alone together, above the crowd
Beyond the world, we're not too proud to cling together
We're strong as long as we're together

Alone together, the blinding rain
The starless night was not in vain
For we're together
And what is there to fear together?

Our love is as deep as the sea
Our love is as great as a love can be
For we can weather the great unknown
If we're alone together
Together, together
If we're alone together
