Another Believer

Rufus Wainwright

Hello,
I've got something to tell you,
But it's crazy.
I've got something to show you,
So gimme just one more chance,
One more glance,
And I will make of you,
Another believer.

Guess what?
You got more than you bargained.
Ain't it, crazy?
You got more than you paid for.
So gimme just one more chance,
One more glance,
One more hand, to hold.

You've been on my mind,
Though it may seem I'm fooling.
Wasting so much time,
Though it may seem I'm fooling.
What are we gonna do?
(What are we gonna do?)
What are we gonna do about it?

So then,
That is all for the moment.
Until, next time,
Until then do not worry,
And gimme just one more chance,
One more glance,
And I will make of you,
Yeah I'm gonna make of you,
Another believer.

You've been on my mind,
Though it may seem I'm fooling.
Wasting so much time,
Though it may seem I'm fooling.
What are we gonna do?
(What are we gonna do?)
What are we gonna do about it?
