Rufus Wainwright

Oh can you hear the public calling you?
You're on a stage no matter what you do!
So buckle up your belt and tie your shoe
There ain't a wrong way on Broadway

A tidal wave, a roller-coaster ride
Affecting streets on each and every side
Will always lead you straight to the west side
No, there ain't a wrong way
On Broadway

Say everything's in the way
Between you and that call
For to come and to play

Oh say can you see
By the dawn's early light
Your name
Somewhere there on the marquee

Hey don't you worry about a single thing
Gave up your pound of flesh as offering
No matter what the people say
There's ain't a wrong way
On Broadway

Say everything's in the way
Between you and that call
For to come and to play

Oh say can you see
By the dawn's early light
Your name
Somewhere there on the marquee

Hey don't you worry about a single thing
Gave up your pound of flesh as offering
No matter what the people say
There ain't a wrong way on Broadway!
There ain't a wrong way on Broadway!
There ain't a wrong way
Better believe it!
On Broadway
