

Who Cares?

Rufus Wainwright

Who cares if the sun cares to fall in the sea?
Who cares what banks failed in Yonkers?
As long as you've got a kiss that conquers

Why should I care?
Life is one long jubilee
As long as I care for you, and you care for me

Who cares if the sun cares to fall in the sea?
Who cares about a bank that failed in Yonkers?
As long as you have got a kiss that conquers

Why should I care?
Life is one long jubilee
As long as I care for you, and you care
You care, baby, for me
