Zing! Went the Strings of My Heart

Rufus Wainwright

Dear, when you smiled at me, I heard a melody It haunted me from the start Something inside of me started a symphony Zing! went the strings of my heart

Was like a breath of spring, I heard a robin sing About a nest set apart All nature seemed to be in perfect harmony Zing! went the strings of my heart

Your eyes made skies seem blue again What else could I do again? But keep repeating through and through I love you, love you

I still recall the thrill, I guess I always will I hope we'll never depart Dear, with your lips to mine, a rhapsody divine Zing! went the strings of my heart

Your eyes made the skies seem blue again What else could I do again? But keep repeating through and through I love you, love you

I still recall the thrill, I guess I always will I hope we'll never depart Dear, with your lips to mine, a rhapsody divine Zing! went the strings of my Zing! went the strings of my Zing! went the strings of my heart
