

All My Days

Ruger

I know that you sick of me, but I'm always be in your face, yeah
Took me a while to get here but I had to speak my faith, yeah yeah
Come Pole pole [slowly] nani [you], usinikimbize [don't rush me]
Cause I am living to my own rules and according to my taste, yeah yeah

All my days
Been hustling for my change
On my way
To heaven's gate I pray
And all the way yeah yeah
As long as you get the pay
I just want two girls for the night
Chop life for the rest of all my days

For the rest of all my
Chop life for the rest of all my days
For the rest of all my
Chop life for the rest of all my days
All the girls are all mine
Chop life for the rest of all my days
For the rest of all my
Chop life for the rest of all my days

Hmm hmm

Need better roasted turkey like two packs
Don't fuck with ruger you're just a puta

On my way
To heaven's gate I pray
