Du-ri-du-ri-ri-uh-ah, ooh-ah

Man getting high 'til I fade out
If the vibe no pure, on my way out
Hullabaloo, anytime we step out
The men them outside, we no dey house (dey house)
No dey look for us, we no dey house
You no dey see the mulla, we don spray out
Thank God say the maga don pay out

Strapped up with the guns and the swords and things
