Ruger

Anytime I look at you  
See all my dreams come true  
Crazy girl I knew  
Only you fit make my balls turn blue  
Forever I gat you  
Anyway possible  
Break all dem rules  
Coz only you fit make my balls turn blue

Anytime I look at you  
See all my dreams come true  
Crazy girl I knew  
Only you fit make my balls turn blue  
Forever I gat you  
Anyway possible  
Break all dem rules  
Coz only you fit make my balls turn blue, blue

Baby  
I am late I already know  
You must be upset by now  
Let me explain myself you know, huh-huh  
Baby I am never letting go  
You're my Ru Nation queen you know  
Can't you see?

I don't want to say good bye right now  
Can we just fuck now?  
Take your pants down  
Girl inna your lake I'm ready to drown  
Let it all out  
Take your pants down

Anytime I look at you  
See all my dreams come true  
Crazy girl I knew  
Only you fit make my balls turn blue  
Forever I gat you  
Anyway possible  
Break all dem rules  
Coz only you fit make my balls turn blue, blue

Please believe me  
And look deeply inna me eyes  
I know I've never really had your time  
Understand that I've got another life apart from you  
Let me see that Tattoo of my initials pon your thighs  
I fit go dey form hard guy if you go  
But I swear to God na lie  
Tori sincerely

I don't want to say good bye right now  
Can we just fuck now?  
Take your pants down  
Girl inna your lake I'm ready to drown  
Let it all out  
Take your pants down

Anytime I look at you  
See all my dreams come true  
Crazy girl I knew  
Only you fit make my balls turn blue  
Forever I gat you  
Anyway possible  
Break all dem rules  
Coz only you fit make my balls turn blue, blue
