Wiggle that booty and whine fi me  
So crazy you drivin' me  
Girly put it on me nicely  
She ridin' it  
Am slidin' in  
Spread your two legs slightly  
Or mama spread them so widely  
Caribbean girl wan die fi me  
She ah fi die for me yeah-yeah

Bounce your body or we bounce you out  
Girly go down, north to south  
Shey you gree? I no fit shout  
Ayy-ayy-ayy-ayy  
Bounce your body or we bounce you out  
Omo no scream, no too shout  
Ayy-ayy-ayy, no loud am no loud am

Naija boy me nah fear nothin'  
Me am like money, I dey smell like mint  
In a convoy everyday flauntin'  
Yoruba demon, I dey knack anythin'  
Burnin' da midnight weed and rizzler  
Man ah un-cork me riffle just to ease her  
Gina  
Better quickly stop da teaser  
Give what belongs to Caesar to Caesar

Wiggle that booty and whine fi me  
So crazy you drivin' me  
Girly put it on me nicely  
She ridin' it  
Am slidin' in  
Spread your two legs slightly  
Or mama spread them so widely  
Caribbean girl wan die fi me  
She ah fi die for me yeah-yeah

Bounce your body or we bounce you out  
Girly go down, north to south  
Shey you gree? I no fit shout
