We gon mash up the place now
We meeting at your place now
What you saying boo?

Hands on the door no rubber we taking a little risk
Then I turn her over slap my D on her clitoris
Let's go to work baby we making a little mix

When I put it in
Me go fully in
She gat me pulling in

Are you kidding me?
Bad Mami she bent her back willingly
She from Philippine
Me never pulling out
Me put it straight in her mouth
It's only me and you now
Girl we can be loud
You gat a whole grown man sleeping out
So let's be loud
