

# Champion

Ruger

I reign  
I reign  
I reign  
I reign  
Ah ah ah ah...

Kukuruku

Ah ah ah ah...

Everyday me burst dem brain  
And anytime wey me climb on the stage  
All of dem appreciate  
Ah, to all the ones wey lock dem gates  
No hard feelings me nuh dey fight them  
I still appreciate

Number one champion  
Number one champion  
Number one champion  
Number one champion  
Number one champion  
Number one champion  
Aah...

When me blow e shock dem face  
For this game I be the only Ruger  
Nobody fi take my place  
Lemme make things clear  
Me go nowhere me here to stay  
So badman all of them got no choice  
They must accept my craze  
Listen carefully

Told yah, told yah  
Told yah, I'ma definitely make it I'ma go far  
Oh God, when I dey squart for their house  
I dey crash on the sofa  
But so far, so far  
Jah has been blessing me  
Bring out the best in me  
This is my destiny

Number one champion  
Number one champion  
Number one champion  
Number one champion  
Number one champion  
Number one champion  
Aah...

Who knew, them say de boy wey him mama bin dey fry dundun go blow, just do y  
ou  
All the guys wey you claim be your gees them go screw you  
I remember, say I been dey trek from computer village go Ojodu beggar  
See me am a star now, nobody fit stop wetin jah don do oh

Tell me why you vexing  
Not yet started I am still testing  
Already impressing  
Any man wey test me  
Teach them a lesson  
Thank you for the blessings  
Me dey do my ting  
I no send any person  
Nobody fi dare me, nobody fi dare me

Everyday me burst dem brain  
And anytime wey me climb on the stage  
All of dem appreciate  
Ah, to all the ones wey lock dem gates  
No hard feelings me nuh dey fight them  
I still appreciate

Number one champion  
Number one champion  
Number one champion  
Number one champion  
Number one champion  
Number one champion  
Aah...

Swaps...  
Kukuruku
