Badman sleek and yuh

Me gat a girl on me bed right now
She say she no wan' leave
She tell me "Ruger me I want to spend the rest of me life with you"
Me say, "No shit" ooh Lord
Fly you to Maldives for a day
Then we fly back quick
Then we take a quick jet flight straight to Paris
You fuckin' with da creme de la creme

Say she never seen a guy like me, eh she confess
Say nobody hit it right like me, eh, she confess
Bend down get on your knees girl never digress, ooh-ooh
She really want to flex with me
She wanna break bread with me
