

Holy Ground

Ruger

Hmm, Jah love me
Hmm ah ah
Only Jah

Music is a battle to me
So me stand and fighting to the very last day
Hating on the blessings that are falling on me
But no man can reverse what me Jah don say
This game is not for weaklings
Brother are you listening?
Inhale me words like oxygen you're breathing in
Dem kill a man without conscience and reasoning
So sickening

So me say Jah
Save me soul save me spirit
Take me high above the ceiling
Never leave me alone
Jah lo Jah lo Jah lo (Ahn)
So me say Jah
Save me soul save me spirit
To serve you Jah I am willing
Never leave me alone
Jah lo Jah lo Jah lo (Ahn)

Me no fear no man
On the rock me stand oh Lord
Dem try take my joy away
But me stand on the Holy Ground
Me no fear no man I swear
On the rock me stand oh Lord
Dem try take my joy away
But me stand on the Holy Ground
Hmm The Holy Ground
Hmm The Holy Ground
The Holy Ground
So me stand on the Holy Ground
The Holy Ground
The Holy Ground
The Holy Ground
The Holy Ground
So me stand on the Holy Ground

Be humble and be polite
Never ever stop believing in Christ
Take this word of advice
Get your money, settle family
Pay up your Tithe
Prepare me a table in the presence of my enemies
I shall never want he cater for my every need
Inna the ghetto many can't afford a 3 square meal
Suffering so so real

So me say Jah
Save me soul save me spirit
Take me high above the ceiling
Never leave me alone
Jah lo Jah lo Jah lo (Ahn)

So me say Jah
Save me soul save me spirit
To serve you Jah I am willing
Never leave me alone
Jah lo Jah lo Jah lo (Ahn)

Me no fear no man
On the rock me stand oh Lord
Dem try take my joy away
But me stand on the Holy Ground
Me no fear no man I swear
On the rock me stand oh Lord
Dem try take my joy away
But me stand on the Holy Ground
Hmm The Holy Ground
Hmm The Holy Ground
The Holy Ground
So me stand on the Holy Ground
The Holy Ground
The Holy Ground
The Holy Ground
So me stand on the Holy Ground
