Ruger

Yo Ruger
Nigeria to Jamaica

Pum pum soft pull tightly
With her sharp attack she ah strike me
Are you going to follow me home? She said likely
Are you going to follow me home? She said likely
Jamaican sauce she ah spicy
Me I put hand on her back ride bikey
Are you going to follow me home? She said likely
Are you going follow me home? (Follow me home)

Hook you up
See, what 're you doing tonight?
Me wan hook you up
Hook you up
Me no wan put you off
Huh huh
Where're you going tonight?
Me wan hook you up
Hook you up
Oouu huh

Swear to God me want to take her home with me
You have no where to go better come along with me
This Henny' is fucking up with me
Girl be serious never joke around with me yeah me yeah
All your gazing and staring should be in me yeah
Vladimir you know how to put it in yeah
Baby girl you know what I mean yeah
Don't be upset seh
Mo so fun e seh
Baby come near, near
Baby come near oh ah ah ah

Hmm pum pum soft pull tightly
With her sharp attack she ah strike me
Are you going to follow me home? She said likely
Are you going to follow me home? She said likely
Jamaican sauce she ah spicy
Me I put her on her back back back
Are you going to follow me home? She said likely
Are you going follow me home? (Follow me home)

Hook you up
See, what 're you doing tonight?
Me wan hook you up
Hook you up
Me no wan put you off
Huh huh
Where 're you going tonight?
Me wan hook you up
Hook you up
Oouu huh

She said likely yeh
Wanna lace it like my best Nikey

Come in her the red dress she left inna my white Ts
The next time wanna bring her friends times 3
The red wine set the mood and set your mind free
Love the way the jeans fit your body nicely
Know you Aguh get the girl dem jealous pon my IG
Want change your last name pon your ID
Happy that you followed me home to spend the night B
It was a club fling now we inseparable
Bad girl your hot pon a next level
A badman fi a nibble pon your breast nipple
Yeh we leaving your friends them affi vex wid

Pum pum soft pull tightly
With her sharp attack she ah strike me
Are you going to follow me home? She said likely
Are you going to follow me home? She said likely
Jamaican sauce she ah spicy
