

REintroduction

Ruger

Reintroduce mi self I'm the fucking Ruger
Gyal dem schillaci dem mallam suya
Right from SS3 that's when I knew that
I'm gonna be a big star so I threw that
Chemistry textbook away then I moved out of my father's house
Started to cook that

Update yourself now I be Blownboy
Four years later still Ruger name no spoil
I be warrior I go still dey worry, no worry
No disrespect but I go disrespect you
Know say my wins and success dey affect you
Clear before the people I carry come go deck you
Cry from now till tomorrow nobody go pet you
You do your own run because say I let you
This time you no go see am draw I bet you
Run faster before I get you
Everybody get inside it's time for Ruger's curfew

Number one Ruger, number one
Wonderful number one Ruger, senior
No be lie, number one Ruger, senior
Number one
God add you promotion, number one
Only you number one, Ruger
