

Wish You Well

Ruger

Say me hear from Rachel your best friend that
You got a new man and you are doing better
I wish you well o, I wish you all the best
Knowing the truth what am I supposed to do me dun
Leave you for good me gyal it's no longer news we done
I wish you well o, I wish you well

A bad man settings
But you know want, mama ya hand fear n bruk it off
Can't come back around for my loving
I'll never hurt you with your secret
You will be lonely when you leave me
Can't find nobody like me
Disperse and ya feel incomplete
Incomplete

Wish you the best and I pray that you're happy
Can't turn back time with your words, don't say sorry

Gwarn if yu wan gwarn
Days a gon come when yu wan call
Healing and I'm glad say ya move on
Glad say ya move on

Gyal, say me hear from Rachel your best friend that
You got a new man and you are doing better
I wish you well, I wish you all the best
Knowing the truth what am I supposed to do me done
Leave you for good me gyal it's no longer news we done
I wish you well, I wish you well

I wish you well oh
I wish you well oh
I hope that he treat you well (oh oh oh oh)
I wish you well oh
I wish you well oh
I hope that he treat you well (oh oh oh oh)

Don't know what it's like for you
Somehow I still connect to you
Anytime your Wi-Fi on, Wi-Fi on
Don't know what's still left in you
You know that you got shit to prove to me
It's all fine ride on, ride on (yeah)
You done with me baby, girl I hear that
Was a lot with me baby, you can't bare that
But let me tell you something, you must hear that
What we shared together you can't share that
Dunno if it's weird as F if I fear that
You will circle back to moi when your eye clear, gyal
You'll be joking if you thinking I'll be here or near
No single piece of my heart to spare

I wish you well
I wish you well
I hope that he treat you well (oh oh oh oh)
I wish you well

I wish you well

I hope that he treat you well (oh oh oh oh)
