Digging For Rum

Rumahoy

The captain found a treasure map
He got it from a man
It leads to treasure really big
We are going to dig for it

The treasure is not made of gold
The treasure is some rum
The best treat that a pirate wants
Is hidden underground

Digging for rum on a pirate ship
Digging for rum in the sea
Digging for rum on a desert island
Digging for rum is the quest for me
Digging for rum on a pirate ship
Digging for rum in the sea
Digging for rum on a desert island
Digging for rum is the quest for me

We have found the secret place
Where the treasure hides
We dig and dig for many hours
Until we strike the rum

All the pirates take a drink
And celebrate with "Yarr!"
The quest for rum is now complete
Experience for everyone!
