

Reasons

You had your reasons that I never understand
For what it's worth you weren't the only one who ran
I'm fine

Reasons

I had my reasons and I took them to the grave
Lord knows I didn't think I'd make it to this age
I'm fine

And I'm blessed

Don't know if there's a heaven
But I'm blessed
Can't tell you where I'm going but I know what's waiting
I don't know what's next but I'm blessed

And I'm blessed

Don't know if there's a heaven
But I'm blessed
Can't tell you where I'm going but I know what's waiting
I don't know what's next but I'm blessed
Either way, my soul is at rest
I don't know what's next but I'm blessed, I'm blessed
Either way, my soul is at rest

Reasons

You had your reasons that I finally understand
For what it's worth you aren't the only one who ran
I'm fine

And I'm blessed

Don't know if there's a heaven
But I'm blessed
I can't tell you where I'm going but I know what's waiting
I don't know what's next but I'm blessed

And I'm blessed
