

Bluu

rum.gold

You see me dying but wanted me dead
I saw me dying but I made this bed
Ohh
Ohh
Ohh
Bluu
The color of your sea
You said you couldn't see yourself with me
Ohh
Bluu
I drowned inside of you
My body was the only part you knew
Ohh
I see where I went wrong now
Ohh
I see where I went wrong now
Ohh yea
I preached
Now I practice too
Still all I see is Bluu
All I see is Bluu
