

Get Through

rum.gold

Get through
I need something to
Get me through
Where's the song that's gonna make it all right
There's nothing left, no fight

Get through
I need someone to
Get me through
Who's the one that's gonna talk me down
Feel like a fool, a clown

So much of who I
Am today is
All because of you

I don't wanna get

Get Through

Get through
What we had was dead
Oh
But he's still
The ghost that still
Haunts my bed

Ohh you need to
Get Through

And your light is dim

Maybe you don't want to
Get
Get over him

So much of who I
Am today is
All because of you

I don't wanna get

I swear, baby

So much of who I
Am today is
All because of you
I don't wanna get

Get Through
