

Run Away

rum.gold

You gave me love
I gave you up
I wasn't right
But you did no wrong
You gave me trust
I gave you lust
Wasn't enough
But we moved along

Tell me it's alright
Tell me you'll be fine
I hope you understand
I never had a plan
Tell me it's alright
Tell me you'll be fine
I hope you understand
I never had a plan

So I had to run, run, run away
Tried to tell you, you should run, run, run away
It's only human that we run, run, run away
Run away from me
You should run away from me

I'm sorry we broke
Sorry you bled
Sorry my love was
Better left unsaid
Sorry I drink
I knew we'd sink
It's no one's fault
But I made this bed

Tell me it's alright
Tell me you'll be fine
I hope you understand
I never had a plan
Tell me it's alright
Tell me you'll be fine
I hope you understand
I never had a plan

So I had to run, run, run away
Tried to tell you, you should run, run, run away
It's only human that we run, run, run away
Run away from me
You should run away from me

Run away
Run away
Run away
Run away
Run away (You should run away from me)
Run away (Run away from me)
Run away
Run away

So I had to run, run, run away
Tried to tell you, you should run, run, run away
It's only human that we run, run, run away
Run away from me (Run away)
You should run away from me
Run away
