

## Crown Royal

Run DMC

For they, is the kingdome and the power, and the glory  
Forever...

The King's a ruler, the ruler rules

I'm the epitome of royalty, you versus me, it's a joke  
I'm a rage, amazing blaze, you cigarette smoke  
Your video's number one and that was part of my plan  
Went from Rock Box to a whole countdown jam  
Took rock music, switched and flipped and made it raw  
Anyway you've played it, we've played it before in '84  
Every show, a hundred thousand people or more  
Famous still give us tours, and we be tryin' not to take em' all  
I bake em' all quicker than Sara Lee, come battle me  
Imagine that, what a sight that'll be  
Front page of the times, I can read the headlines now  
Rev Run beat clown down, when tryin' to take his crown

The King's a ruler, the ruler rules

I'm the reason you started rhyming  
I'm the reason rap sales started climbing  
That's why I'm still headlining  
I'm the King and before I leave your ass gonna learn  
Yeah, y'all each wanna burn, wait your turn  
Run, I'm a living legend, my suggestion is learn your lesson  
I'll leave you stressing, confessing and begging for a blessing  
And whatever your impression..it better be,  
that we the top pedigree bringing y'all energy since '83  
I run this here since way back when  
I picked up a pair of adidas, and make y'all wear em' again  
If you thought it, I done did it, heard it, I done spit it  
New cats wanna pay their respect, son I'm with it  
But if not, I'm a reclaim the top of the charts  
Doin' shows with dough flows frip 'em apart  
Other than that, I'll just be holding my own  
Crown royalty up on a throne, for real

The King's a ruler, the ruler rules

Our father, who art in heaven  
hallowed be thy name, thy kingdome come  
Thy will be done  
Forever...
