

# You Talk Too Much

Run DMC

Shut up!!!

You talk too much...  
You talk too much...  
You talk too much...  
You talk too much...

Hey! You over there, I know about your kind  
You're like the Independent Network News on Channel 9  
Everywhere that you go, no matter where you at  
I said you talk about this, and you talk about that  
When the cat took your tongue, I say you took it right back  
Your mouth is so big, one bite would kill a Big Mac

You talk too much	You never shut up
I said you talk too much	Homeboy you never shut up

You talk about people, you don't even know  
And you talk about places, you NEVER go  
You talk about your girl, from head to toe  
I said your mouth's moving fast, and your brain's moving slow

You talk too much	You never shut up!!
I said you talk too much	Homeboy you never shut up

You're the instigator, the orator of the town  
You're the worst when you converse, just a big mouth clown  
You talk when you're awake, I heard you talk when you sleep  
Has anyone ever told you, that talk is cheap

You talk too much	You never shut, up!!
I said you talk too much	Homeboy you never SHUT UP!!!

Talking is the one thing, that you can do best  
You told the cavity creeps, to watch out for Crest  
You never have the story, right and exact  
And then you always try to bore me, with your yakkity yak

You talk too much	And then you never shut up
I said you talk too much	Homeboy you never SHUT UP!!!

Everyday you are out fighting someone in the street  
And you're always fighting someone you know ya can't beat  
Then you wonder how, you got in this mess  
Just think of what you said, then take a guess

You talk too much	You never shut up!
I said you talk too much	Homeboy you never SHUT UP!!!

You're always spreading rumors, whether bad or good  
You're the damn Walter Cronkite of the neighborhood  
The Barbara Walters, and the Howard Cosell  
You always come around, with a story to tell

You talk too much	And then you never shut up
I said you talk too much	Homeboy you never SHUT UP!!!

Said it's everybody's business that you love to mind  
And talkin to you, is like dropping a dime  
You're spreading the word, like it is your job  
You should be a stool pigeon, who works for the mob

You talk too much                      And you never shut up  
I said you talk too much              Homeboy you never shut up!

A big blabbermouth, that's what you are  
If you were a talk show host, you'd be a star  
I said your mouth is big, size extra large  
And when you open it, it's like my garage

You talk too much                      And then you never shut up  
I said you talk too much              Homeboy you never shut up

You always like to gossip, just like a girl  
You talk so damn much, it's outta this world  
When you're reincarnated, in your second life  
You won't be a man, you'll be a nagging wife

You talk too much                      Then you never shut up  
He said you talk too much              Homeboy you never SHUT UP!!!

SHUT UP!!!  
SHUT UP!!!

Twenty-five hours, eight days a week  
Thirteen months outta year, is when you speak  
I'm tired of listening to the garbage you talk  
Why don't you find a short pier, and take a long walk

You talk too much	Then you never shut up!
I said you talk too much	Homeboy you never SHUT UP!!!
You talk too much	You could be, out of breath
You talk too much	Man you naggin me to death
You talk too much	Tired of hearing you speak
You talk too much	Eight days a week
You talk too much	Then you never shut up
I said you talk too much	Why don't you ever SHUT UP!!!
You talk too much	Then you never shut up!
I said you talk too much	Homeboy you never SHUT UP!!!
