

# OKAY COOL

## Run River North

Shouldn't have been so tired when we got up  
Let it all fall away and walk on out  
Shouldn't I feel bad? I feel so dumb  
What if it's just a dream and I wake up, I just wake up  
(To)

My head hanging in the corner  
My body shimmies to the door  
I wait for all of this to be over  
To believe it's all just begun  
To believe it's all just for fun  
To believe it's all just begun  
To believe it's all just a...

Dream never waking up  
Never had enough  
Never could come up

But you always knew somehow  
Always figured out  
Come and break you down, down, down

Okay!

Cool!

Okay!

Cool, cool!

Okay, cool
