

## Rearview

Run River North

I wanna meet, wanna meet, wanna meet you in the rear view  
We could see, we could see how we were before we changed  
But when I look over, your hair is on the dashboard  
Am I foolish to believe you're somewhere thinking of me?

I wanted to hold you like I won't let go  
You can tie a rope around my soul  
Tapping on the window, I can't be without you  
So hold me like you won't let go  
Like no one ever has to know  
Tapping on the window, I can't be without you

I can see, I can see, I can see you in the rear view  
I know it's hard to believe but I swear I'm broken too  
'Cause all I can hear are your lips, they say, "I'm sorry"  
Someone had to leave

I wanted to hold you like I won't let go  
You can tie a rope around my soul  
Tapping on the window, I can't be without you  
So hold me like you won't let go  
Like no one ever has to know  
Tapping on the window, I can't be without you

I can't be without you  
(I can't be without you)

I'm gonna get you back any moment now  
(It's all in the rear view now)  
I'm gonna get you back any moment now  
(It's all in the rear view now)  
I'm gonna get you back any moment now  
(It's all in the rear view now), any moment now  
Any moment now, any moment now

I wanted to hold you like I won't let go  
You can tie a rope around my soul  
Tapping on the window, I can't be without you  
So hold me like you won't let go  
Like no one ever has to know  
Tapping on the window, I can't be without you

I can't be without you  
(I can't be without you)  
I can't be without you  
(I can't be without you)
