

## Run or Hide

## Run River North

Lion in the dark with your shadow  
Shadow hanging over me  
Shaking the ground, your footsteps  
Footsteps calling out my name

Off to the races, but all of these faces  
Keep rolling by me now  
I don't understand these lines in my hand  
All look the same, all look the same

I think I've changed my mind about a million times  
Oh, to run or hide, oh, to run or hide  
I'm gonna call this out, I'm coming back somehow  
I won't run or hide, I won't run or hide

Lions tearing apart  
I see them breaking, breaking  
But I can't let them starve  
So I let them in  
I feel them, feel them tearing up my skin

I think I've changed my mind about a million times  
Oh, to run or hide, oh, to run or hide  
I'm gonna call this out, I'm coming back somehow  
I won't run or hide, I won't run or hide  
Run or hide  
Run or hide  
Run or hide

The lions that you hear  
You only give what you get  
You're trying to keep this in  
Spit it out, spit it out

The lions that you hear  
You only give what you get  
You're trying to keep this in  
Spit it out, spit it out

I think I've changed my mind about a million times  
To run or hide, to run or hide  
I'm gonna call this out, I'm coming back somehow  
I won't run or hide, I won't run or hide

I think I've changed my mind about a million times  
Oh, to run or hide, oh, to run or hide  
I'm gonna call this out, I'm coming back somehow  
I won't run or hide, I won't run or hide  
Run or hide  
Run or hide  
Run or hide
