Run River North

I love you darling all my life
All of my life I'll love you

Darling call from the mountain
I'll come running
I'll come running down to you

And when no one is watching I'll break the gates
I'll break the gates when no one is watching, no one is watchin
g

Oh the river will flow
Over the body
Over the body the river will flow

When they come, I'll be your shade
I'll be your shade when they come for me

And when they take me away, cry for me
Cry for me when they take me away, take me away from you

I'll love you darling all of my life
All of my life I'll love you
